VANVAN D. MATUNHAY

Certified Medical Virtual Assistant

Prior Authorization Specialist with 2+ years of U.S. healthcare experience in Interventional Pain Management. Own the full prior authorization lifecycle for procedures and medications, including insurance eligibility and benefits verification. Review clinical documentation to validate medical necessity per Medicare LCD/NCD and commercial payer policies. Apply CPT, ICD-10, and modifiers accurately while monitoring utilization and coverage limitations. Experienced in denial prevention, appeals, retro authorizations, peer-to-peer coordination, and CoverMyMeds processing, ensuring timely approvals and HIPAA compliance.

WORK EXPERIENCE

Medical Virtual Assistant Jan 2025 - Feb 2026
Southeast Pain & Spine Care Clinic

- Own the full prior authorization lifecycle for interventional pain procedures and medications
- Review clinical documentation to validate medical necessity per Medicare LCD/NCD and commercial payer policies
- Submit and track authorizations for Medicare, Medicaid, Tricare, and commercial insurers
- Apply CPT, ICD-10, and modifiers accurately based on payer-specific guidelines
- Monitor utilization history to ensure compliance with frequency and coverage limitations
- Prevent denials through proactive documentation review and policy alignment
- Manage appeals, retro authorizations, and peer-to-peer reviews
- Process medication prior authorizations via CoverMyMeds
- Conduct payer follow-ups to secure timely approvals and avoid procedural delays

Healthcare CSR Dec 2022 - May 2025
Concentrix CVG Philippines

- Verified eligibility, benefits, prior authorization status, and cost-sharing details
- Supported authorization and claims-related inquiries for providers and members
- Documented interactions accurately in healthcare systems and EHR platforms
- Ensured HIPAA compliance and protected patient health information
- Coordinated with payer representatives and provider offices to resolve coverage issues
