WORK EXPERIENCE

Medical Virtual Assistant April 2026 - August 2026

Sound Pain Alliance Washington

- Served as primary clinic POC, coordinating with providers, clinical staff, and payers to resolve urgent authorization needs and prevent procedure delays.
- Led daily prior authorization operations, supporting complex cases, workflow issues, payer requirements, and team consistency.
- Improved communication and turnaround times by prioritizing cases, resolving bottlenecks, and ensuring timely follow-up on outstanding authorizations.

Medical Virtual Assistant May 2025 - April 2026

ECAA North Carolina

- Managed prior authorizations for ESI, RFA, MBB, SI joint injections, and nerve blocks.
- Reviewed H&P, progress notes, imaging, and injection history to confirm medical necessity and payer requirements.
- Submitted and tracked authorizations for Medicare, Medicaid, and commercial insurers using Availity, eviCore, Carelon, Cohere, and other payer portals.
- Monitored utilization, frequency limits, and coverage policies to maintain compliance and reduce authorization delays.
- Prevented and resolved denials through proactive documentation review, appeals, retro authorizations, and peer-to-peer coordination.

Healthcare Customer Service Dec 2022 - May 2025

Concentrix CVG Cebu, Philippines

- Verified eligibility, benefits, prior authorization requirements, and patient cost-sharing information.
- Assisted providers and members with authorization and claims-related inquiries.
- Responded to provider questions regarding patient spending account payments.
